# Data Dictionary

User = someone who uses the website

Video = a audio/visual source of media

Location = a place within the world (but most likely in NZ).

Saturday Market = Details about the Fresh Food Market's held on Saturday

Weather = the status of the sky <sup>every individual</sup> from when the video is taken

Bus time = the timetable of the Dunedin Buses

(Linking) Communication = how <sup>User's</sup> ~~people~~ are reaching one another

# Relationship
